Haliburton County Echo

"The voice of the Highlands"

20 Pages **Wednesday, March 3rd, 1976** **15 cents**

Extendicare, Haliburton opened on Saturday and eleven Haliburton and area citizens have now made this their home. A few are being admitted every day until Extendicare has reached its capacity of sixty. The above photo shows the eleven residents sitting in the lounge. From left to right, Front row, Mrs. Evelyn Anderson, Tory Hill, Mr. Wilbert McKelvey, Minden, Mrs. Clara Sabin, Toronto, Mrs. Halda Dean, Haliburton, Mrs. Myrtle Pritchard, Haliburton, Mrs. Lila Simmons, Gooderham, Back Row left to right, Mrs. Isobel Hogg, Irondale, Mr. John Kinnear, Minden, Mrs. Della Roberts, Haliburton, Mrs. Emily Davidson, Haliburton, Mrs. Vera Griffin, Haliburton. Standing in back is Sheila Elston, administrator and director of nursing.

Extendicare now open

Extendicare, Haliburton, the spanking new nursing home opened on Saturday and eleven Haliburton and area citizens have now made this their Home.

On Monday afternoon we were given a tour of this beautiful new building by Sheila Elston, administrator and director of nursing. She told us that they are starting to get organized and everything seems to be moving along very smoothly with no problems.

The staff have now been hired and registered nurses are on duty 24 hours a day.

We were pleased to hear that many volunteers have come forward stating that they would like to help with the visiting and to give a hand with the residents with their many activities.

Special thanks go out to the Haliburton Orange Lodge L.O.L. No. 975 who have donated a coloured television set for the lounge area and a bingo machine for the residents activities.

The majority of the residents will be attended by Dr. R.H. Heyes of Haliburton who will be the attending Physician for the nursing home.

A few are being admitted every day until Extendicare, Haliburton has reached its capacity of sixty.

The new nursing home is located at the end of Park Street in Haliburton.

Cottage break-ins numerous

Coboconk OPP detachment has dispatched Constable T.C. Black to investigate a series of cottage break ins in the northwest corner of Peterborough County.

The detachment officer reports that the break ins occurred in the Condor Lake area off Crystal Lake Road. There is no indication yet as to how many cottages have been broken into or what was taken.

It is only a short time ago police wound up investigation in a series of cottage break ins in another section of Peterborough County.

Break ins in resort areas sometimes go undetected for quite a while during depth of winter when access is limited to snowmobile travel. Incidentally, Coboconk OPP is reported to be using snowmobiles to reach the scene of the latest incidents.

MINDEN

Minden OPP report a relatively quiet weekend with the action being centred largely around snowmobile operations. Ten charges of trespassing were laid against snowmobile operators and several others were charged with various infractions of the law governing their operation...lack of registration, etc.

County library to receive Wintario Funds

Haliburton County Library was pleased to receive notification from the Ontario Ministry of Culture and Recreation accepting two applications for grants under the WINTARIO programme. A total of $1,866.00 will be awarded to the library board for purchase of Canadian films and periodicals and for the purchase of a cassette collection of recorded music. All these materials will be available from the county's library outlets.

Eakins involved

Truckers to be heard, hospital will not close

Victoria-Haliburton MPP John Eakins said Monday at a press conference at his new constituency office in the Greg-Mac Building, 6 William St. N., Lindsay, he has a feeling Health Minister Frank Miller will not completely close down Hillcroft Private Hospital in Bobcaygeon.

Mr. Eakins said "I have a feeling he (Mr. Miller) is going to give up part of it if not all.

"I don't think his case is good enough to turn the whole thing down. I think he has had poor advice. The people up there (at Queen's Park) sit around and discuss the situation but if they drove down to Bobcaygeon and other places where hospitals have been ordered to close they would see what the situation actually is."

The MPP said he has written the Health Minister another letter urging him to "seriously reconsider" his decision and pointing out to him what the hospital means to Bobcaygeon.

He said what the health ministry is doing is asking people not to move into the Bobcaygeon area because people, especially older people, look for medical services. "It's one of those things that help to give a basis to a community."

"I don't think things are right especially when they (the ministry) are buying property in Scarborough for a new hospital."

In other constituency business, Mr. Eakins said he met Sunday with about 100 truckers from the Haliburton area to discuss recent legislation governing the licensing of dump trucks.

He said the Ministry of Transportation and Communication has recently divided the province into five regions as far as dump truck operators are concerned.

He said the truckers' PCV (Public Commercial Vehicle) licences this year are being changed from "Open F" which meant they could go anywhere in Ontario to an "R" licence which means they are restricted to a region.

The member of the legislature said to his way of thinking Haliburton County truckers are at a greater disadvantage than are truckers in other regions of Ontario.

He said they are included Region 5 with Muskoka, Sudbury, North Bay and other areas to the north whereas their trucking work is oriented to the south toward Lindsay and Metro Toronto.

"Without a change I think the truckers in Haliburton County are going to have a rough time of it and for many of them it will mean the end of their trucking business."

"I think they are at a great disadvantage and I hope the ministry (Ministry of Transportation and Communication) will be sympathetic to their problem."

A committee of five truckers was set up to work with Mr. Eakins with a view to contacting Queen's Park. Mr. Eakins has already spoken on the telephone to Hon. James Snow, minister of transportation and communication.

The MPP said he has been assured of a meeting between the minister and members of the committee and himself to point out the problems of the Haliburton County Truckers and hopefully do something about them.

Trucker committee members are Brant Stamp, R.R. 1, Haliburton, P.E. Findlay of Haliburton, Harry Forbes of Minden, John Kernohan of Minden and Gerald Griffin of Haliburton.

Victoria-Haliburton virtually unchanged

The last word on riding redistribution at the federal level is that Victoria - Haliburton Riding will retain its title and much of its territory.

Russell Wunker, parliamentary assistant to MP William Scott, said Friday the latest information is that protests against taking Haliburton out of the riding and renaming it Victoria-Simcoe have apparently paid off.

"Basically the earlier proposals have reversed themselves," Mr. Wunker explained. The changes now approved under the redistribution are: that the riding retains its title and include the two counties except for Manvers Township which, while part of Victoria County, will not be part of the riding; that the riding retains the six northern Peterborough County townships: Burleigh, Anstruther, Chandos, Galway, Harvey and Cavendish; that it loses Rama and Mara Townships but retains Brock and Thorah and has Georgina Township added; and that it loses the six former North Hastings townships.

Total riding population stands at about 69,000, Mr. Wunker said and he thinks the latest redistribution plan will likely stand. Further details are expected early next week.

Hanging vote month away

Victoria-Haliburton M.P. William Scott says the vote in parliament on the abolition of retention of the death penalty for murder could still be a month away and he says satistics and public response indicates the death penalty should be retained.

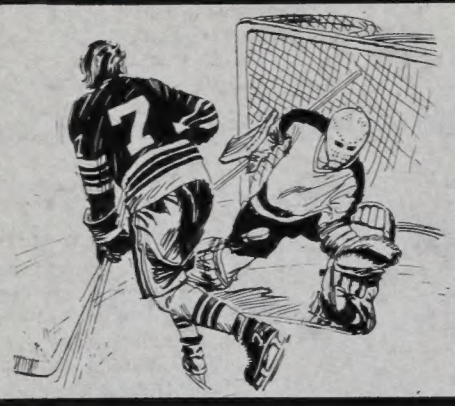
He said since the legislation was changed in 1966 calling for the death penalty for the killing of policeman and prison guards on duty, 51 policemen have been killed and none of those found guilty were hung.

He said statistics indicate in Quebec in 1955 there were 17 murders, in 1965 the number increased to 53 and in 1975 the number of murders in Quebec increased to 217.

The Victoria - Haliburton member said in Metro Toronto between January 1 and February 15, 1976, more people were murdered than were killed in Metro in car accidents.

Mr. Scott, referring to the number of violent crimes in Canada including murder, manslaughter, rape and wounding, in 1966 violent crimes in Canada totalled 69,656 and in 1973 the total rose to 114,760 an increase of over 65 per cent.

Concerning public response, Mr. Scott said he receives over 100 letters and coupons a week concerning retention of the death penalty and 99 per cent in favor of retention.



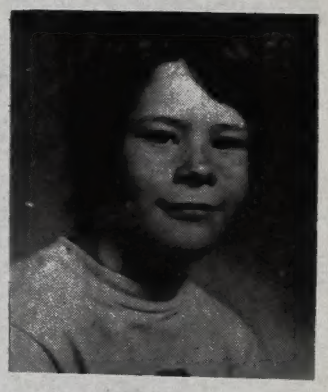
ECHO SPORTS

by Curry (Pork) Whittaker

A good turnout of ladies and friends were in attendance on Saturday afternoon at the O'Keefe Ladies Shuffleboard Tournament which was held at the Royal Canadian Legion at Haliburton. The overall winners are pictured with their trophy the "O'Keefe Annual" from the left, Laurie Bonfield and Faye Stamp. Runners up shown on the right with their trophy Chris Bishop and Hazel Maxwell. A special mention to Carol Stamp and Hazel Whittaker and all the others who helped to make this day such a success.

Atoms defeat Bobcaygeon

All Star Atom Play off action has been at its best. Haliburton drawing to play off with Bobcaygeon in their playoffs have had trouble all year with them winning only one game, but playing good sound play off hockey and the fine play of Scotty Rae and his teammates, they won their first game here in Haliburton last Tuesday by a score of 5 to 1 and then journeyed to Bobcaygeon Friday evening and skated home with a 5-2 victory and to win their playoff two games to zip. On Friday night the star was once again Scotty Rae with the hat trick



SCOTT RAE
Notches Hat Trick in Playoff Action

Midgets win

Monday night the Midget team finally got underway in their next playoff series. They are in contention with Marmora in a best of thrice play off.

Haliburton came home a big winner after suffering the abuse of unjustly officiating and putting fifty minutes in the sin bin, two men short on seven occasions, boys cut for stitches and just a minor infraction called, they still pulled it all out with a 4 to 2 victory.

Goal scorers were Gary Stevenson, Dave Levely, Joe Roberts, Mike Scheffee. The next game is here this Wednesday and then back to Marmora next Monday.

The Bantams start their playoffs here Tuesday against the same opponents Marmora, let's everyone get out and support these fine teams of ours in their playoffs.

JOHN EAKINS To Attend ROTARY SKATE-A-THON

John Eakins MPP for Victoria-Haliburton has announced that he will attend the Minden Rotary Skate-A-Thon to be held on April 9 and 10. Mr. Eakins will be at the Minden Arena on Friday, April 9th at 7:00 p.m. to encourage skaters and assist in the event. The Skate-A-Thon is designed to assist community organization in raising funds for many different projects. Half of the money raised will go to the Minden Rotary Club for community work while the remaining portion will go to the organization that the skater has chosen. Letters have gone to many community organizations and pledge sheets are now being circulated.

Cannington Atoms Win Tournament at Bobcaygeon

The Cannington Atoms emerged as champions from the Bobcaygeon Minor Hockey Association annual Atom tournament on Saturday, Feb. 21 winning the A and D Ingram trophy. Last year Cannington won the consolation event. Minden Atoms captured the finalist trophy after losing out to Cannington.

Fenelon Falls defeated Bowmanville B's 3 to 2 to win the consolation event.

The Bobcaygeon Atoms won the first game 4 to 3 over Fenelon Falls. Scorers for Bobcaygeon were Morton W. Shearer with two and Madill. Bobcaygeon then played Cannington in the championship round where they were eliminated losing to Cannington 5 to 2. In that game Morton and Madill scored a goal each for Bobcaygeon.

Scores in other games were as follows: Cannington 2, Lindsay Atom B's 0; Minden 4, Bracebridge 1; Wellington 3, Bowmanville 5, Bracebridge 2, Minden 2, Wellington 1. There was a good turnout of supporters which always brings out the best in these young players - and made the event a big success.

SPORTS

The Minden Juveniles ousted Ops Co-op Juveniles in five games in Juvenile "E" OMHA playdowns.

The Ops Juveniles had a 2-1 lead in the first period, they dropped behind 3-2 in the second but tied the game early in the third period before the Minden team scored twice in the last half of the period to take the series.

Jr. "D" playoff series tied

When can one remember going out to a Junior game of hockey and come home satisfied as one should have after Saturday nights encounter with Wellington here in Haliburton.

As the game got underway it was apparent a fast exciting game was in order. Haliburton struck for the first goal on a great individual effort by Captain Roger Bain. Wellington came roaring back as Gary Parks tied it up for them at the 14:33 mark. With just thirty three seconds left in the first period the combined effort of Randy Ellis and Rick Selman set up Garnet Brant to put them ahead by a goal. What a period of hockey! Everyone playing their man and only four penalties, everyone of the three hundred or so fans were up in their seats waiting for the next twenty minutes.

In the second period the same action was in store for the fans and the only goal that was scored was on a power play effort by Wellington as Bob Green scored on a set up from Garnet Brant and Harry MacDonald with one minute gone in Bev Hicks two minute holding penalty. The second period saw only two minor penalties and they both went to Haliburton and one lone goal for Wellington. Good playoff Hockey!

Haliburton realizing they have to win their home games knew they must put all out and at 6:27 of the final period Tim Oram made the score 3-2 on a nice play from Tom Curry as Haliburton had a power play going as Wellington's Blaine Way got caught for a two minute interference penalty. The pressure was on now for both clubs and exciting hockey action in order for those who were in attendance.

The persistent work of Tom Curry payed off as he tied the game with 9:17 left in the period assisted by brother Tim and Tim Bain.

Back and forth, up and down the ice both teams strived and at 18:01 it looked like Haliburton's break came as Wellington's Farquharson was caught on a tripping infraction thus giving the Huskies the advantage for the remaining 1:59 in the third period.

Haliburton just couldn't buy the tieing marker as Wellington goaltender did everything but turn inside out as he held the locals off the scoreboard and to put the game into an overtime period of ten minute sudden death playoff.

The overtime period fortunately turned out to be all Haliburton and what turned out to be the winner was notched by Tom Curry aided once again by brother Tim. The Travelway Huskies came right back and this time it was Tim Bain assisted by Tom Curry and Tim Curry. With just a couple of minutes remaining Mike Good scored, set up by Dave Hartwick. Final score Haliburton 6 - Wellington 3. Series - Haliburton 2 games to one.

Sunday the Travelway Huskies bussed back down to Wellington to play their fourth game of the series and leading two games to one. The game from the night before was comparatively not as exciting and the locals were sent home with an identical score but only with Wellington coming out winners with the 6-3 reading on the board.

CURLING

With regular league play completed, the Haliburton Curling Club is now holding the playoffs to decide who will win the various club trophies. The following are the league standings after regular play.

Monday Mens
Bob Houston 66
Bob Colliver 57
Cec Bailey 49
Dave Bishop 48
Frank Andison 44
Ron Barr 38
Carl Wallace 31*
Lester Walling 27*
* one game not played

WEDNESDAY MENS
Frank Andison 44
Clark Bailey 43
Tom Stinson 40
Dave Gray 40
Bill Johnston 39
Ted Gardiner 32
Bob Colliver 24

7 P.M. Mixed
Bob Colliver 82½
Gary Bailey 82
Ron Barr 66½
Clark Bailey 55
Frank Andison 47
Dave Chatfield 46

9 P.M. Mixed
Dave Gray 83½
John Beachli 80
Dave Bishop 71
Bob Houston 68
Russel Woodcock 57½
Bob McNaull 57
Joe Iles 55½
Ken Wilson 31½

The top four rinks from each league will play off 'sudden death' to decide who will take home the hardware.

In the Tuesday Ladies league the final standings were:
G. Fugar 60
J. Colliver 54
E. LaRue 49
K. O'Connor 47
A. Schell 47
L. Brohm 39
P. Brohm 36
J. Johnston 26

The Ladies have playdowns for the trophies with all teams in the playoffs.

This coming Saturday, March 6th, the Haliburton Curling Club will be hosting One Day Womens Bonspiel. With rinks from near and far this is a good opportunity to come out to the club and see how well the ladies play the game.

HOUSE LEAGUE ATOMS

Haliburton met the Wilberforce Atoms last Tuesday evening. Those who saw the game got plenty of action. The Haliburton boys were in full control and played their positions like well drilled starts. In net Steven Dodd was more than a match and at times, his agility and speed made him look like a Pro. The game had everything from goals to a Penalty shot, and although A1 efforts were put forth by The Wilberforce players, Haliburton's Ricky Barnum tallied twice, and checking from team mates brought forth a win. The High Flying Wilberforce Ace Brian Bell was held back and scored the only goal for them, ending the game with a 2-1 score.

A special mention goes to young Rodney Sisson who really put forth excellent efforts for Haliburton "**Keep up the Good Work Guys!**"

Minor hockey

Saturday night a combination of Haliburton and Wilberforce got together for an exhibition game with Agincourt. A good effort, but Agincourt over matched the two units and won 6-0.

On Sunday Ricky Barnum was the only local marksman as the same teams played here in Haliburton. The fine goaltending of Haliburton kept the score down along with good defensive work. Haliburton 1 - Agincourt 3. Refreshments were served at the Curling Arena and a good week end of exhibition hockey was enjoyed by all!

BANTAMS

Wednesday saw Wilberforce at Haliburton. Both teams played good hockey in the first and second periods at which time the score was 3-1 for Haliburton, but in the third period Haliburton slackened up on defense and Wilberforce took full advantage and tied the game 3-3.

Goal Scorers - Haliburton - Len Hodgson 1, Phil Smith 2.

Wilberforce Jim Alden 2, Greg Taylor 1.

Captain of the Sunderland championship "A" team Gary Brethour accepts the Tim Harrison Memorial Trophy from Mr. and Mrs. Norman Harrison Jr.

The Sunderland Midget hocket team is shown after they had won the A Championship at the Tim Harrison Memorial Midget Hockey Tournament played at Minden on Saturday. Sunderland like the other teams in the tourney played heads up hockey in a day that packed by close hockey action.

SPORTS

MONARCHS-WATFORD

The Minden Monarchs host the Watford Generals this weekend in Minden to open their best 4 out of 7 Intermediate A Ontario finals. Minden's opposition comes from a small town about 25 miles east of Sarnia making it impossible to have a Friday night game. Instead Game 1 begins at 8:30 p.m. Saturday night with Game 2 going at 2 p.m. Sunday afternoon, both at the Minden Arena. The following weekend, the Monarchs travel to Watford for games 3 and 4. So let's get out and support the Monarchs this Saturday and Sunday in Minden.

Dental health - put your brush where your mouth is

February 15-21st was Dental Health Week in Ontario. Here in Victoria County Grade 5 students from 18 schools submitted entries to our annual Dental Health Week Poster Contest -- all bearing the slogan "Put Your Brush Where Your Mouth Is."

Winning entries from each school were on display at the Lindsay Public Library during Dental Health Week, and attracted the attention of many parents and students.

The judging, carried out this year by dental staff member, Mrs. Phil Childs, awarded First Prize to Dennis Patterson of Fenelon Twp. Public School ($25.00 and engraved award plaque), Second Prize to Marlene Caroll of St. Luke's School, Downeyville ($10.00) and Third Prize to Stephanie Collins of Lady Eaton Public School, ($5.00). Honourable Mentions went to Jane Bibby of Archie Stouffer, Scott Hill of Bobcaygeon and Richard Wackernagel of Woodville. In addition, all 18 school-winning entries will receive "dental health kits" as prizes.

Captain of the Minden Midget Monarchs David Brown is shown accepting the most valuable player award from Chamber of Commerce manager Bob Stinson. Dave scored twice and assisted on two other goals in a 7-4 victory over the Bobcaygeon Cougars, at the Tim Harrison Memorial Hockey tournament played in Minden on Saturday.

Richard Parisotto, clerk of the Municipality of Anson, Hindon and Minden is shown presenting the most valuable player award in the Tim Harrison Memorial Midget Hockey Tournament to Clair Shaw of the Sunderland Midget Hockey Club.

EDITORIALS

Ontario rarely a loser

In the Highlands of Haliburton there are certain times when local tourist operators must have a loan if they want to expand their operation. Most of these loans come from the Ontario Development Corporation which is operated by the Ontario Government. In most cases here in the Highlands the money is well spent.

Back in 1972, the Ontario Development Corporation lent $175,000 to Angelo Filomeno Gomes to help him start a metallic yarn factory in Renfrew in Eastern Ontario.

The same year, the corporation lent $15,000 to Dr. Leslie Organ to help him expand a factory for medical equipment.

Today, Gomes is no longer in Canada, his factory has gone into receivership and the Ontario Government is left with a hopeless debt of $175,000.

Organ's factory in Downsview is thriving, it has received a second loan of $30,000 from the government and has tripled both and it's staff and its sales in the past four years.

John Eakins MPP, Victoria-Haliburton, the Liberal party critic for Industry and Tourism, thinks there was serious lack of close follow-up on the loan to Gomes.

The failure and the success story are two sides of the provincial governments 10 years of effort to help private enterprise flourish with loans, particularly in cases where no other financing is available.

Others involved

At last Thursday nights meeting of the Rotary Club of Haliburton the programme took the form of an Open Forum on the subject of the annual Haliburton Winter Carnival when the members all had the opportunity to say what we can do to improve it for another year.

Out of this discussion came many good ideas which will be put into practice another year.

One of the main suggestions that came out of this meeting was the feeling by all the members that if the Carnival is to continue and be a success that many more organizations in the community must be involved.

In order to run a three day event of this size it takes the work of a lot of people and the Rotary Club although large in size just do not have the manpower to go around.

While speaking on the subject of the Winter Carnival we realize that weather, always is a factor, and quite unpredictable. The postponement of events becomes advisable, and programs become tangled. We suggest that in planning there might be alternate attractions provided for such eventualities. If visitors are invited for a week-end of fun events, there should be a program assured them, whatever the weather may provide.

When it comes to the Winter Carnival it boils down to the fact that to enjoy it you must participate and we are hoping that in the future we will have more events in which the local as well as the visitors can participate in.

An editor's lot

Getting out this paper is no picnic. If we print jokes, people will say we are silly; if we don't they say we are too serious. If we clip things from other papers. We are too lazy to write it ourselves; and if we don't we are stuck with our own stuff.

If we stick close to the job all day, we ought to be hunting up news; if we do not go out and try to hustle, we ought to be on the job in the office. If we don't print contributions, we don't appreciate true genius; if we do, the paper is filled with junk!

If we make a change in someone's write-up, we are too critical; if we don't we are asleep!

Now, like it or not, someone will say we swiped this from some other paper.

We did! From The Canadian Community Newspaper Association Publisher.

Letters to the Editor

Dear Associates:

The people who have worked administering the Opportunities for Youth Program wish to confirm its cancellation. We thank those on projects receiving this letter for their excellent co-operation in the past several summers. We thank those who have served as consultants to projects during their summer operations, and as consultants to us during selection each year. We thank also those who have helped develop good projects and publicize the program, since provision of your support was a major contribution to the success of the program.

We especially regret the difficulties caused by cancellation of the program to the many people who expected OFY grants to help carry out worthwhile community activities and provide opportunities to combine education and work experiences. The office will remain open to administer the LIP program, and staff may be able to help certain projects obtain alternate funding. Please call us collect, station-to-station, at 705-743-7856 if you have questions or wish any information.

Sincerely,
Barry George,
Marlis Lindsay
Chris Moore.

Peterborough, Ontario

Dear Editor:

I would like to take this opportunity to comment on a letter recently published in your paper and signed by Mr. Lewis Stevens, President of the Kinsmen Club of Minden. It is my understanding, having discussed this matter in great detail with the department, that Mr. Ron Hickey was recently in both Minden and Stanhope and discussed the ambulance situation with the respective councils. I am pleased to report that most of the fears expressed in Mr. Stevens letter are unfounded and there is no way that the Department plans to close the Minden Ambulance Service.

Actually, the Department has been, and is working to improve and upgrade the Minden service, and I have been assured that this is their goal. Thus it is my belief that there is no reason to fear curtailment or closing of the Minden service at this time or at any time in the foreseeable future.

With all best wishes,
Sincerely yours,
William C. Scott, MP
Victoria-Haliburton.

Dear Editor:

Penalties on top of a single Law

The implications of the recent amendment to the Ontario Highway Traffic Act requiring those in Motor vehicles to use Seat Belts are beyond the very stiff fines being imposed by the Provincial Traffic Courts. What may not be known to your readers is that in the event of an accident an injured party's action for damages may be affected by the fact he or she was not wearing a Seat Belt. It has happened where a claim has been reduced for this very thing.

I suggest you watch for our Judge's decisions coming in the months ahead. How do you think the court findings will be decided in the case of two drivers with (a) being at fault but wearing his seat belt and (b) not at fault but charged for not wearing his Seat Belt. Do you not think a Judge could assess a part of the damage claim for not taking proper safety precautions as defined by the law to Driver (b) ? I do, and think one will.

What about Workmen's Compensation to Employer's who have employees charged for non Seat Belt use? Will it effect the companies rate of assessment? I think it will have a bearing on Sec. 86-6A cases.

There is also the possibility of O.H.I.P. provisions being adverse to paying the full cost of injury in Medical Claims where a charge of not wearing a Seat Belt is applied.

I write these questions because since my speaking on the throne speech about these concerns the Legislature after the election passed the change to the Law. To date I have not read or heard if the above questions are a correct assumption. Will someone involved tell us?

Yours sincerely,
R. Glen Hodgson

From the Chamber

By now each member should have received your news letter. If you didn't it could be for only one of two reasons - either you are not yet a member, or you are and we haven't got your address on file correctly. A phone call to the Chamber office can quickly rectify either of these situations.

The news letter was written while we were working at the Harrisburg Show and mailed back to the office so it would be mailed out to you while we were away. Mail service isn't what is used to be - we got back before the letter did, so consequently it wasn't mailed out to the members until last week. The letter contains a questionnaire which we hope members will be good enough to return to us promptly. It will help us to serve you better.

Last Sunday we attended the meeting at the Legion concerning the Legislation effecting local truckers and we were pleased to see an association formed to combat this problem. The fact was mentioned that had there been an active Trucker's association in effect prior to this legislation the problem may have been averted in the first place. It is unfortunate that most of us have to find ourselves being victimized in someway before we will bond together for a common cause. A pat on the back here to M.P.P. John Eakins who addressed this meeting, and is sincerely dedicated to helping them solve their problem. A delegation of five men, Phil Findlay, John Kernohan, Gerald Griffin, Brant Stamp and Harry Forbes, will go to Queen's Park with John Eakins to meet with the Minister of Transportation and present their case. Our support and good wishes go with them.

Dennis Casey informs us that the Yamaha people will be in town shortly to take photographs for their next catalogue. They have selected the background of the beautiful Haliburton Highlands to display their merchandise and this will be noted in the catalogue. They expect to be shooting scenes at the Haliburton Golf Clubs and the new Shamrock Quarry. Incidentally the Shamrock Quarry is expected to be in full operation this spring complete with a crusher. We certainly welcome this operation as one more needed boost to our economy.

The Tim Harrison Memorial Tournament in Minden was a huge success last week-end and our hats go off to the many people who worked so hard to make it so. It was marred by one unfortunate incident however when the Fenelon Falls coach saw fit to pull his team from the ice following a disputed goal in the championship game. The thought occurred to us that as a Chamber of Commerce we work so very hard to build the favourable image of a community, and yet in one uncalled for act such as this one, by one self indulgent individual, much of our work can go down the drain. Fortunately this Chamber does not represent Fenelon Falls, and we would hope that no coach handling a team from our area would represent us in such a fashion.

Pic of the Past

Our pic of the past this week shows a picture of the Lane family in front of their house in Haliburton around 1927. Front row from left to right Ia (Mrs. Wm. Doxie) Annie (Mrs. Wm. Abbey) May (Mrs. George Thayer), Laura (Mrs. Henry Brohm). Back Row left to right, Ted Beatty (Mrs. Bert Boler) William and Tom. Bob Brohm is shown on the extreme left corner of the picture leaning on the corner of the verandah.

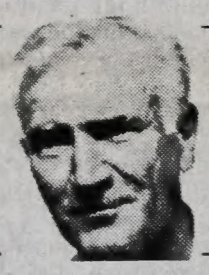
The photo was taken at the old J.S. Thompson house which still stands and is located across from St. George's Anglican church in Haliburton.

Our thanks to Bob Brohm of Haliburton for submitting this most interesting photo.

It's nice to be alone

Bill Smiley

©The Argyle Syndicate Ltd.



I KNEW things were moving along too smoothly. Second grandson nicely launched, and I was nicely along into my second week of tranquility as a baby bachelor.

Each time my daughter adds to the population explosion, my wife hustles off to give her a hand "for a few days." This, I have discovered, stretches into two weeks.

But I don't really mind. It's rather pleasant, baching it, for a while. Nobody to tell you to get to bed just when there's a dandy horror movie coming on. Nobody to tell you that you are a bum and a loafer if you sleep in Sunday morning. Nobody to switch your favorite cops-and-robbers program to a lousy medical love story.

Nobody. Nobody to listen to your complaints. Nobody to share a laugh. Nobody to gossip with. Nobody to make you take your pills when your bursitis is bad. Nobody to cook you a beautiful egg or make your favorite dessert. Nobody to put your cold feet on at night. Nobody to argue with.

Nobody. I guess that's what's wrong with being a real bachelor. Or spinster. Nobody. It must be grim.

But as I said, a couple of weeks is no problem. I can put a load of soacks through the washer. I can shop better than most men, and as well as most women. I can run a vacuum cleaner, do dishes, feed a cat, make a bed, scrub a sink.

And I can whip up a gourmet meal with the best of them. Let's see. Last night it was baked potatoes, a fat chicken leg, and artichoke hearts. The potatoes were crisp-skinned, fluffy inside, with a big pat of butter drooling over the edges. The chicken was so golden outside, tender inside it would make Colonel Sanders weep. The artichoke hearts were hearty. I'd never had them before, but with a cheese sauce, pretty doozy.

Night before it was onion soup with golden croutons, baked haddock balls stuffed with shrimp, asparagus tips swimming in butter, a glass or two of Beaujolais, a light dessert of creamy rice pudding with mandarin oranges and real coffee with a dash of cognac in it.

Tonight it's going to be something simple because I'm writing my column. Perhaps a little lasagna with meat sauce, after hors d'oeuvres of fine liver pate, Camembert cheese, and smoked oysters on onion thins.

Don't worry. I haven't gained a pound in 30 years, unlike some I could mention. And I would be in bad shape without a can opener, a bottle opener, and the frozen food counter. But I'm not suffering.

And there are other compensations. Last Friday afternoon, I took part in a symposium after work with some of the chaps, at the Legion Hall. Got into a few games of shuffle-board and Russian billiards with some old students of mine, after all the hen-pecked husbands had left, and didn't get out of there until 11 p.m. For some reason, when the Old Battle-axe is home, I don't normally do that on a Friday afternoon.

Late Saturday afternoon, after watching the Olympics, I went into the kitchen, looked at two days' dishes in the sink, said, "Screw this for a lark," and went out for dinner. Then I went to a truly dreadful show called The Gunfighter, which my wife wouldn't be caught dead at. I loved it. I've loved westerns since I was eight. Got home about 11 p.m., made a big pot of tea and a sandwich you wouldn't believe the ingredients of, and watched not only the late, but the late late.

There certainly are some bonuses, though I'm running out of clean shirts, and ironing them is one of the few things I'm a bit shaky on.

However, secure in the knowledge that my wife would be home on the weekend, and able to devote her usual eighteen hours a day to my comfort and general welfare. I was happy.

Then the bolt came. Not out of the blue. Over the telephone. She informs me that she is bringing home company. One Pokey, two years of perpetual motion. For a month. Or six weeks. In order to let my daughter try to get her year at college, and finish off her degree work.

My response was immediate. A roar of: "Holy Old Nelly!" a longish pause, then, in a very mild voice, "That'll be nice, dear. Won't it?" The only response from her was a chuckle that would have made Boris Karloff jealous, and, indeed, did freeze my blood.

Then she trilled: "You'll be able to take him out on his toboggan every day after work. And give him his bath every night. And tell him his bed-time story. And look after him all day on weekends, while I have a rest. Won't that be lovely? I know how crazy you are about him."

I sputtered "Yabbutt. Yabbutt," a couple of times and gave up. Twenty-four hours later, I am somewhat philosophical about it. After all, families have to stick together, don't they. Lots of grandparents look after their tiny grandchildren in times of stress: war, famine, earthquake.

Yabbutt. There's no particular war on. Famine is scarcely stalking the land. And the only earthquake is the one in Guatemala.

I have a feeling, for the enteenth time, that we've been had, by Kim.

I know Trudeau has three boys, and I'm younger than he. But, dammit, he has flunkies, and he's their father. Are there no civil rights for grandfathers?

Share guidance

SAULT STE. MARIE -- The Sault District Separate School Board and the Sault Ste. Marie and Area Board of Education have agreed on a plan to share the student guidance information service to which the public board has access.

J.A. Cameletti, the separate board's superintendent of instruction and curriculum, recommended the sharing plan which will cost the separate board about $630 a year. It offers computer access and printouts on 7,000 careers from the data bank of the Ministry of Education.

Mr. Cameletti said the sharing plan will enable the separate board to decide whether it wants to subscribe directly to the guidance service.

Glamorgan Township council meets

The regular February meeting of Glamorgan Township Council was held in Council chambers on February 4th, 1976 commencing at 10:00 a.m. Present were; Robert Fotheringham, Reeve; Norman Locke, Deputy-reeve and Larry Hunter, Councillor. Staff present were Elva V. Bates, Clerk-Treasurer; James Manley, Road Superintendent and Goldie Graham, Welfare Administratix. Visitors were; D.A. Marucekt from Totten Sims Halricke Assoc. Ltd. and H. Christian, Parles Assistance Officer, Ministry of Natural Resources.

Moved by Norm Locke, Seconded by L. Hunter. That the minutes of the January meeting be adopted as circulated. Carried.

Moved by L. Hunter Seconded by Norm Locke. That the following bills and accounts be allowed for payment:
General Voucher No. 76-1 $7609.10
Welfare Payroll No. 76-1 incl. V.O.N. $1008.24
Road Voucher No. 1 - $5772.70. Carried.

Moved by L. Hunter, Seconded by Norm Locke. Motion to approve proposed expenditures for 1976 for OM-MR-28 as submitted by road superintendent. Carried

Discussion then ensued regarding the development of approved parks in the village. An on-site visit was made to Lot 26, Con. 6. The Meeting adjourned for lunch at 12:00 noon, resuming at 1:00 p.m.

Moved by Norm Locke, Seconded by L. Hunter. That the clerk write the M.T.C. re: property between 505 & 507 and the Irondale River. Carried.

Moved by Norm Locke, Seconded by L. Hunter. Motion to increase road employees wages by 8% rectroactive to payroll period 76-3. This motion to include welfare officer. Carried.

Moved by L. Hunter, Seconded by Norm Locke. Motion to set clerk-treasurers salary for 1976 at 9100.00 due to increase in hours. Part-time office assistance to be paid at the rate 2.65 to 3.00 per hour depending on experience. Carried.

Moved by L. Hunter, Seconded by Norm Locke. That a By-law to authorize borrowing to meet current expenditures until 1976 revenues are collected be received and read a first time. Carried.

With Norman Locke in the chair, it was Moved by L. Hunter Seconded by Robert Fotheringham. That a By-law to authorize borrowing to meet current expenditures until 1976 revenues have been collected to be read a second time and be referred to a committee of the whole Council. Carried.

Moved by Norm Locke, Seconded by L. Hunter. That a By-law to authorize borrowing to meet current expenditures until 1976 revenues have been collected as reported by the Committee of the Whole be read a third time, passed and numbered 76-1 and that the said by-law be signed by the Reeve and Clerk, sealed with the seal of the Corporation, and be engrossed in the By-law Book. Carried.

Moved by L. Hunter, Seconded by Norm Locke. That a By-law to revise the due date for payment of interim taxes be received and read a first time. Carried.

With Larry Hunter in the chair, it was

Moved by Norm Locke, Seconded by Roberth Fotheringham. That a By-law to revise the due date for payment of interim taxes be read a second time and be referred to a committee of the whole council. Carried.

Moved by L. Hunter, Seconded by Norm Locke. That a By-law to revise the due date for payment of interim taxes as reported by the Committee of the Whole be read a third time, passed and numbered 76-2 and that the said by-law be signed by the Reeve and Clerk, sealed with the seal of the Corporation, and be engrossed in the By-law Book. Carried.

Moved by Norm Locke, Seconded by L. Hunter. That a By-law to Authorize the sale of land being part Lot 9, Con. 7 be received and read a first time. Carried.

With Larry Hunter in the chair, it was

Moved b y Robert Fotheringham, Seconded by Norm Locke. That a By-law to Authorixe the sale of land, being part Lot 9, Con. 7 Township of Glamorgan be read a second time and be referred to a committee of the whole council. Carried.

Moved by Norm Locke, Seconded by L. Hunter. That a By-law to authorize the sale of land, being Part Lot 9, Con. 7, Township of Glamorgan as reported by the Committee of the Whole be read a third time, passed and numbered 76-5 and that the said by-law be signed by the Reeve and Clerk, sealed with the seal of the Corporation, and be engrossed in the By-law Book. Carried.

Moved by Norm Locke, Seconded by L. Hunter. That a by-law to authorize the sale of property being Part Lot 98, Con. 7, Township of Glamorgan be received and read a first time. Carried.

With Larry Hunter in the chair, it was

Moved by Norm Locke, Seconded by Robert Fotheringham. That a By-law to authorize the sale of property being Part Lot 9, Con. 7, Township of Glamorgan be read a second time and be referred to a committee of the whole council. Carried.

Moved by Larry Hunter, Seconded by Norman Locke. That a By-law to authorize the sale of property being Part Lot 9, Con. 7 Township of Glamorgan as reported by the Committee of the Whole be read a third time, passed and numbered 76-4 and that the said by-law be signed by the reeve and clerk, sealed with the seal of the Corporation, and be engrossed in the By-law Book. Carried.

Moved by L. Hunter, Seconded by Norman Locke. Councils position of tax registration charges of 50.00 is to stand as per motion of council dated March 5, 1975. Carried.

Moved by L. Hunter, Seconded by Norman Locke. Motion to appoint James Manley as Chief Fire Warden and Dale Parnell and Caro Mintz as Fire Wardens, and Bob Young to issue fire permits. Carried.

Moved by Norman Locke. Seconded by Larry Hunter. That a by-law to appoint a member to the Committee of Adjustment for the Township of Glamorgan be received and read a first time. Carried.

With Larry Hunter in the chair, it was

Moved by Robert Fotheringham, Seconded by N. Locke. That a By-law to appoint a member to the Committee of Adjustment for the Township of Glamorgan be read a second time and be referred to a committee of the whole council. Carried.

Moved by Norman Locke, Seconded by Larry Hunter. That a By-law to appoint a member to the Committee of Adjustment for the Township of Glamorgan as reported by the Committee of the Whole be read a third time, passed and numbered 76-3 and that the said by-law be signed by the reeve and clerk, sealed with the seal of the Corporation and be engrossed in the By-law book. Carried.

Moved by Norman Locke, Seconded by Larry Hunter, A motion to establish a rate of 10.00 for any request for a Voters list. Carried.

Moved by Norman Locke, Seconded by Larry Hunter. That the clerk be authorized to contact Professional Sales Tax Consultants Ltd. re; overpayment of sales tax if any. Carried.

Moved by Norman Locke, Seconded by Larry Hunter. The letter from the H.C.E.D.C. be enclosed with all tax bills. Carried.

Moved by Larry Hunter, Seconded by Norman Locke. A motion to endorse the resolution re: L.I.P. grants re: Regional Municipality of Waterloo. Carried.

Moved by Larry Hunter, Seconded by Norman Locke. Motion for clerk to purchase eldon data wheel at a price of 54.70. Carried.

Moved by Norman Locke, Seconded by Larry Hunter. That Phil Billings be appointed as by-law officer, to be confirmed by By-law at next council meeting. Carried.

Moved by Norman Locke, Seconded by Larry Hunter. Be it resolved that we petition the Ministry of Transportation and Communications for final subsidy payment on 1975 road expenditures. Carried.

Moved by L. Hunter, Seconded by Norman Locke. Motion to adjourn until next regular meeting unless called earlier by the Reeve. Carried.

A special meeting of the Glamorgan Township Council was held in Council Chambers on February 13, 1976 to deal with the sale of property. Present were; Robert Fotheringham, Reeve; Larry Hunter and Elgin MacDuff, Councillors and Elva V. Bates, Clerk-Treasurer.

Moved by Elgin MacDuff, Seconded by Larry Hunter. Be it resolved that Part Lot 3, Con. 6, Township of Glamorgan, being under Tax Registration File #69-5, together with lands described in Instrument No. 30192 (being the abandoned CNR Right-of-way) passing through the east half of the east half of said Lot 3, Con. 6 be sold to Wayne Harris for the sum of $8.000.00 and that the Reeve and Clerk be hereby authorized to sign all pertinent documents. Carried.

Moved by Elgin MacDuff, Seconded by Larry Hunter. That a By-law to authorize the sale of property be received and read a first time. Carried.

With Elgin MacDuff in the chair, it was

Moved by R. Fotheringham, Seconded by L. Hunter. That a By-law to authorize the sale of property be read a second time and be referred to a committee of the whole council. Carried.

Moved by Larry Hunter, Seconded by Elgin MacDuff. That a By-law to authorize the sale of property as reported by the Committee of the Whole be read a third time, passed and numbered 76-6 and that the said by-law be signed by the reeve and clerk, sealed with the seal of the Corporation, and be engrossed in the By-law book. Carried.

Moved by Larry Hunter, Seconded by E. MacDuff. Motion to adjourn until next regular meeting unless called earlier by the reeve. Carried.

College resources now more available to our businesses

An Ontario government decision to de-centralize its Federal-Provincial training responsibilities is making Sir Sandford Fleming College resources more readily available to regional business and industry, according to College industrial training officer Barry House.

Mr. House was appointed to the College staff in September, when colleges were given the responsibility for technical training aspects of the Federal government's Canada Manpower Industrial Training Plan, and he said the College now can be more aware of specific information needs of smaller organizations.

"I suppose I am, in some respects, like a dating service", he explained. "If an individual is facing a training or operational problem, I can refer that person to a specific College division or faculty member for advice."

He noted that most faculty have had prior business or industrial experience, and the personnel required to teach the range of courses offered through the College's business, technical, natural resources, retraining, general and applied arts, and health sciences divisions almost guarantees that expert help is available for any situation.

Mr. House said the concept of industry offering formal training for employees is popular in the Cobourg Lindsay and Peterborough region, adding that since September there have been 44 programs developed under the Canada Manpower plan, involving approximately 65 trainees.

Such training once was practical only in larger companies, but Canada Manpower involvement has made in-plant training financially feasible for even organizations with one or two employees, he said.

He explained that under this particular plan, the local Canada Manpower offices determine an employer's eligibility under the program, help select trainees, make the financial arrangements for the program and monitor the administrative aspects of the resulting contract, which is Federally funded.

The College, in turn, provides technical assistance to employers, monitors the technical training details of the contracts, and reports the results to Canada Manpower.

Previously, this was handled through the Toronto offices of the Ministry of Colleges and Universities' manpower training branch.

As well as making local colleges more aware of ways they can assist local employers and employees, Mr. House said the de-centralization of Provincial responsibility has resulted in a reduction in the time required to prepare and approve local training plans, which can make significant differences to smaller employers and to their trainees.

Haliburton Highlights

Brad Sales was telling us the other day that Spring must be just around the corner. While driving between Haliburton and Minden he spotted a red breasted robin on Wednesday of last week. It's the first sign of spring.

*****

A panel discussion on the topic "What effect Do the Provincial Cut Backs" have on your particular organization, took place at the January Meeting of the Haliburton County Social Planning Council held at the C.E. Building of the United Church in Haliburton. Taking part were:

Rick Poole, Haliburton County Board of Education, David Woodall, Haliburton Assoc'n. for the Mentally Retarded, Ernie Eakins, C.A.S., Lindsay, Darrell Stamp, Dysart Welfare Administrator.

In Summary the general picture for 1976 was much the same - some changes could be necessary, policies will have to be made to meet the 1976 budget. In the case of the Children's Aid and the Sheltered Workshop some cutbacks in services will be in effect and it is possible that the Day Care Centre in Lindsay will have to be closed.

*****

Haliburton's new Taxi service is now in operation and it's going under the name of Erick Witzke Taxi with 24 hour service. The number to call is 457-1653.

*****

Sufficient insulation is essential if you plan to keep you home heating costs to a minimum. Ontario Hydro says it takes almost twice as much fuel to heat an uninsulated dwelling. Insulation in older homes can deteriorate. Periodic inspection may save you dollars.

*****

Our congratulations this week to the Dysart Municipal Council and their employees who have done such a magnificent job this winter keeping our roads and sidewalks clear of snow and ice. It's a job well done.

*****

Work is still continuing on the new Fire Hall in Haliburton which will be located on the far end of the community fairgrounds.

*****

We have just been advised that a Haliburton County wide Fire Prevention course is now in progress. The course is being held every Tuesday evening at the Royal Canadian Legion in Haliburton. All Fire Departments in the County including Bancroft are participating. The course which is being put on by the Fire Marshall's office will be on for thirteen weeks.

*****

The month of February was Heart Month in Canada, but although we are now in the month of March it is still not to late to make your donation. Do so to-day.

*****

Some of the local Furniture stores in Haliburton County took part in the Kawartha, Haliburton Home Show which took part in the Lindsay armory last week.

*****

Did you know that an extension cord was not designed to take the place of permanent wiring. It is a handy device for getting power to an area of your home where there is no outlet, but should only be used on a temporary basis.

Women now have equal credit opportunity.

This is what Ontario has done to ensure it.

Here in Ontario, any woman, married or not, should be granted credit in her own name if her credit qualifications, property or earnings are such that a man with the same qualifications would receive credit.

That is the essence of Ontario's new Equal Credit Opportunity Guidelines.

All major credit grantors in the Province have endorsed these guidelines, on the basis that equality of access to credit is a right, even though credit itself is a privilege.

In practice, the Guidelines outline the following principles:

- hold men and women to the same standards of credit worthiness
- refrain from refusing to extend credit to a woman because of a change in her marital status
- refrain from requesting or using information about family planning in evaluating credit applications
- consider a spouse's income, if necessary, when a couple applies for credit
- consider alimony and child support as a source of income
- not alter a person's credit rating solely on the basis of the credit rating of the spouse
- allow husband and wife to have separate files with credit reporting agencies.

For a free booklet giving the Guidelines in detail, and covering the entire subject of women's access to credit, write:

Report from Queen's Park by John Eakins

Quite a number of businessmen, especially tenants of shopping plazas, have expressed concern about the amendment to the Assessment Act which was passed in 1974. Until that time, assessment was based on the actual area occupied by a tenant, but the new formula is based on the total assessment value of the entire tenant-occupied property (for example a plaza) divided among the tenants in portion to the fair market rent of the space they each occupy. This means, in effect, that the tenant who pays a higher rent will also be paying higher taxes.

No exceptions are made for existing leases, and some tenants are locked into five or ten years leases, having been given to understand that they would be paying taxes of a certain amount, based on actual taxes already being paid in similar malls elsewhere. However, they have been faced with tax bills as much as ten times as high as those projected figures. Both large and small tenants are virtually trapped in existing lease arrangements, since they were not aware of the amendment to the Assessment Act. In some cases, large tenants have had their taxes substantially reduced ($150,000 in one case) below the projections made at the time of entering into the lease arrangement. The shift of tax burden onto the small tenant is being appealed by many, but in the meantime they are faced with the possibility of bankruptcy because of this situation.

Not only has the change in legislation led to a considerable shift of tax burden onto the small business, but from a practical point of view it is very cumbersome. Any change in rental by any one store may involve reassessment of all the others. Realty taxes continue to be paid by developers, but the assessment office apportions the total among the various tenants (taking into consideration location, access to main corridors, use of facilities provided, etc.) Assessments are increased, therefore, where the rents are higher and assessment is taxed at 30%, and decreased where assessments are taxed at 50%.

Large tenants are charged much less rent per square foot, due to their attraction value for the shopping mall. Smaller tenants pay higher rent, because their space is used much more intensely and they usually have direct access to a common area in the mall, providing many facilities for their customers.

Some inequity may exist in this situation. Possibly when the legislation was considered and passed by all three parties, it was not fully realized that rents charged by shopping malls varied to such a great extent. Ministry officials are of the opinion that prior to the amendment, the small businesses were not paying their fair share of the taxes.

When the Government introduced the legislation to amend the Assessment Act, it was stressed by the Minister that it was the intention to provide a formula which would make a fair apportionment to the assessment value among the tenants in accordance with the market rental value of the space they occupied, so that tenants occupying the most valuable space would be assessed for a greater portion of the total assessment of the total property than tenants occupying less valuable quarters in the same area.

Prior to the amendment of the Act, assessed values were allocated on the basis of the square foot area occupied by each of the tenants. This meant that parts of the land and buildings were excluded from the apportionment. The payment of rent presupposes that each tenant enjoys certain rights of access to and egress from the space he occupies. It therefore presupposes some interest in the common areas of rent and also reflects a value that the common areas add to these tenancies. Until the legislation was amended, tenants were not paying taxes on these areas, but under the new arrangement the fair market rent would take into account the elements used in common and this would be reflected in the value of a tenant's rent.

A number of small businessmen feel that the amended legislation is favourable to the large companies and penalizes the small business operator. This is quite a complicated situation, and obviously should be considered from every angle. Small businesses are an important and vital part of our society, and their interests must be protected. Possibly, the amended legislation should be reviewed in the light of information which has become available since 1974. It is always very difficult to ensure that legislation is completely fair to all concerned, but there would seem to be some merit in re-examining the question of assessment and rentals with respect to shopping plazas and malls.

See you next week.

Along The Trails

HALIBURTON COUNTY SNOWMOBILE ASSOCIATION

Compiled by Roy Bates

Once is Not Enough

I went out for a ride Saturday morning to sample the smoothness of the Bombi-groomed trail from Donald to Gelert, and chanced to meet up with three snowmobiles (four riders) making the trek from Minden to the Trapper's Inn at Mississauga Lake. All four had been with us on the Bobcaygeon ride a week earlier. They have been so impressed with the good trails on that trip that they were off to enjoy them over again.

Given a few days of good grooming weather so that "Mr. Picard's Big Snowmobile" can do its job, we can promise you excellent snowmobiling for the next weekend. Among the trails worked so far with the HCSA Bombi are, the Peterson and its feeder trails as far East as the Drag - Haliburton Lake intersection, the Tractor Road in the Donald area, the Donald-Gelert-Irondale Trail, the Minden-Gelert trail, and other trails in the Minden area. The machine is moving to the Hall's Lake sector for a couple of days then returning to start over again at Haliburton.

Just to scotch the rumors that are already starting to spread: The Bombi was NOT purchased with Ministry of Natural Resources money. The Bombi was NOT bought with a Wintario Fund grant. And it was NOT a gift to the HCSA from well-wishing businessmen.

To acquire the machine the Association made a down payment of $1000 from its general account - all that was left of this season's membership fees, dance and raffle proceeds, after spending nearly $5000 on trail improvement and Alpine repairs - and seven Directors are backing a note to borrow the remaining $10,235.

The HCSA DID APPLY to the Wintario Fund but no monies were received. The Ministry of Natural Resources has approved a grant amounting to $6,700 which is to be used on specified trails only and cannot be applied to equipment purchases.

Shamrock Shell Guarantees First Instalment

The Haliburton County Snowmobile Association gratefully acknowledges the gift of the first monthly payment of our new Bombi, which we understand will be $230.00, from SHAMROCK SHELL CENTRE at Haliburton, Dennis and Tim Casey Proprietors. We acknowledge also the several other NON-SNOWMOBILERS who have taken membership in the Association out of a desire to help a worthy cause.

West Guilford Dance

The first HCSA dance to be held in the West Guilford Community Centre was a successful one. It was not a large crowd, but it was a happy one. Proceeds are expected to be enough to meet the second Bombi payment.

A highlight of the evening was the presentation of trophies to the oldest and youngest participants in the Snowerama. Dr. R.L. Hewitt was 73, and his neice Lorrie Watson made the trip with him at age twelve. The Doctor resides at Haliburton Lake and Lorri at Orono.

Winner of the 1976 Elan is Lyle Sawyer of West Guilford. Net proceeds from the draw approximately $800. Many thanks to all who sold or purchased tickets.

VANDALS DESTROY TRAIL SIGNS

Members of the HCSA spend a lot of time and effort erecting markers along the trails to guide snowmobilers to the safest routes. No less than half a dozen DANGER SIGNS, used to mark unsafe ice locations along the water course from Red Pine Lake through Hawk Lake and the Three Brothers were taken down and destroyed. This is clearly a malicious act by someone who doesn't like snowmobiles.

We have learned to accept the disappearance of directional markers. Danger markers are another matter. A deliberate act to endanger lives cannot be tolerated.

WANT ADS DO IT BETTER

No deposit $10,000 bail granted Lindsay woman

Charged with non-capital murder in the stabbing death of her husband, Doris May Boyle has been released on bail by order of the Hon. Jusitce Galligan of Toronto.

Lindsay Justice of the Peace S.R. Pitts says the Supreme Court judge ordered Mrs. Boyle released on $10,000 bail and he subsequently signed the release order at Lindsay Provincial Jail. The accused is next scheduled to appear here on March 17. Bail was set without cash deposit and is conditional on Mrs. Boyle residing in Toronto pending her trial, Mr. Pitts disclosed.

The non-capital murder charge was laid January 23 of this year following her arrest the previous night. Mr. Boyle was pronounced dead of a knife wound after having been taken from his 117 William St. N., residence to Ross Memorial Hospital, just before midnight Thursday, January 22.

Bail in this case is the second to be granted on murder charges in this district in recent months. Mrs. Patricia Ruppi of RR2, Minden, was granted bail in the amount of $8,000, following the shooting death of her husband in December. She also faces a non-capital murder charge.

Preliminary hearings in both instances are still to be held become prevalent in this area.

Mr. Pitts said bail in non-capital murder charges is no longer unusual since the Bail Reform Act was introduced.

Alcide Carpentier Memorial Pee Wee Tournament

The Agincourt Pee Wee hockey club won the Grand Championship and the A championship to come out as the overall winners in the Pee Wee hockey tournament played at Haliburton during carnival weekend. Photo by Dal Hubbert.

The above is a photo of the Stoney Creek Pee Wee hockey club who won the B Consolation at the Alcide Carpentier Pee Wee hockey tournament held at Haliburton over Carnival weekend. They were put out of the Grand Consolation by the Oshawa Country Strings. Photo by Dal Hubbert

The Oshawa Country Strings were winners of the Grand Consolation and A Consolation at the Pee Wee hockey tournament played at the Haliburton Arena over Carnival weekend. Photo by Dal Hubbert.

The Willowdale Pee Wee hockey club were the winners of the B Championship and lost out in the Grand Championship to Agincourt in the Annual Alcide Carpentier Pee Wee hockey tournament played at Haliburton over carnival weekend. Photo by Dal Hubbert.

The Minden Pee Wees played some outstanding hockey at the Alcide Carpentier hockey tournament played at Haliburton. Although they lost two games the team was involved in some very close games. In one of their games they forced a team from Peterborough into overtime. Photo by Dal Hubbert.

The Haliburton Pee Wees made a good showing at the Alcide Carpentier Pee Wee Hockey tournament played at Haliburton during carnival weekend. The team went to the finals in the B Championship and lost out to Willowdale. Photo by Dal Hubbert.

Dysart Municipal council meets

Minutes of a Special Meeting of the Finance and Correspondence Committee held in the Council Chambers on Friday, February 6th, 1976 at 6:45 p.m.
Members Present: Murray Fearrey, L.C. Morrison, Harold Bannon, Wayne B. Wood.

No. 2692
Moved by L.C. Morrison, Seconded by Harold Bannon
That the correspondence and accounts be recommended to Council for approval. Carried.

No. 2693
Moved by L.C. Morrison
Seconded by Harold Bannon
That the Finance and Correspondence Committee be now adjourned. Carried.

February 6, 1976
Minutes of a Special Meeting of the Dysart Municipal Council held in the Council Chambers on Friday, February 6, 1976 at 7:45 p.m.
Members present: Murray Fearrey, L.C. Morrison, Harold Bannon, Gary McKnight. Absent: L. Coneybeare.

No. 2694
Moved by Harold Bannon
Seconded by L.C. Morrison.
That Eric Witzke be granted a Taxi License provided he meets all the requirements of the Municipal By-law and the Dept. of Transport regulation re rental cars and taxis. Carried.

Delegation
Haliburton Lake Cottagers Association

No. 2695
Moved by Gary McKnight
Seconded by Harold Bannon
That the Meeting be now adjourned at 10:05 p.m. Carried.

February 9th, 1976
Minutes of a Regular Meeting of the Dysart Municipal Council held in the Council Chambers, on Monday, February 9th, 1976 at 9:00.a.m.
Members Present:
Murray Fearrey
L.C. Morrison
Harold Bannon
Gary McKnight
Absent: L. Conevbeare

No. 2696
Moved by Gary McKnight
Seconded by L.C. Morrison
That due to the resignation of Ken Hopwood, from the Harcourt Community Centres Board, that Jack Jewell be appointed in his place. Carried.

No. 2697
Moved by Gary McKnight
Seconded by L.C. Morrison
That this Council takes exception to the proposed changes in legislation with reference P.C.V. Licenses covering transportation of various Road Construction and Maintenance Materials. We believe our Municipality contains the largest percentage of Rental Truck ownership per capita of population in Ontario. History indicates most of the work for our people has been in Region 2. We recommend the inclusion of Haliburton County in Region 2, or that owner-operators be allowed to work in the Region they reside in, in addition to one other Region. The legislation as proposed is discriminatory and creates a hardship for owner-operators in already very trying econ0mic times. Carried.

No. 2698
Moved by L.C. Morrison
Seconded by Harold Bannon
That the quotation of Can-Am oil for the supply of 100,000 gallon of Non-asphaltic Road oil for Dust Layer at 26.8c per gallon be accepted, subject to the approval of the Municipal Engineer, Ministry of Transportation and Communications. Carried.

No. 2699
Moved by Gary McKnight
Seconded by Harold Bannon
That Tenders be called for the supply of One 1976 Model ½ Ton Automatic, Power Brakes, Long Box, Step Bumper, Minimum 350 cu. in. engine, with and without trade of 1969 GMC ½ Ton. Carried.

No. 2700
Moved by L.C. Morrison
Seconded by G. McKnight
That the Clerk be authorized to Petition the Ministry of Housing for increased funding to enable completion of the Dysart official Plan and Zoning By-Law and Mapping under the change in grant structure dated Sept. 75. Carried.

No. 2701
Moved by Harold Bannon
Seconded by G. McKnight
That Council sanction snowmobile drag races on Head Lake, Haliburton, during the Winter Carnival, Feb. 20-22/76. It is anticipated that many of the machines will undoubtedly have some safety items removed and will not have standard exhausts. Carried.

No. 2702
Moved by Gary McKnight
Seconded by Harold Bannon
That the Ministry of Natural Resources at Bancroft be complimented on their proposed Snow-machine Trail from Whitney to Haliburton via. the Municipal Bridge over the York River at Martin's Mill and the Peterson Road and permission to use the above mentioned Municipal Roads is hereby granted. Carried.

No. 2703
Moved by L.C. Morrison
Seconded by G. McKnight
That the quotation of Wm. Everitt of Kenissis Lake for the management of the Kenissis Lake Dump be accepted - cover material to be supplied only on the request of the Road Superintendent or Assistant - no burning is to be permitted and the dumping face to be restricted to 40 feet, with the installation of fencing. Carried.

No. 2704
Moved by G. McKnight
Seconded by Harold Bannon
That the Planning Supervisor reply to File 46T75416, Chester Schwandt, for a residential subdivision adjoining the village of Harcourt in the affirmative and arrangements be made for an amendment to the Official Plan to accomodate this development at the earliest possible date - the Subdividder to supply a secondary plan of the area to accompany the amendment as Schedule "A". Carried.

No. 2704A
Moved by Harold Bannon
Seconded by L.C. Morrison
That Road Accounts numbered 2588 to 2661 totalling $49,615.59, General Accts. numbered 1415 to 1540 totalling $38,975.76 and Relief Accounts numbered 401 to 472 totalling $5,206.09 be approved for payment. Carried.

No. 2705
Moved by G. McKnight
Seconded by L.C. Morrison
That the Planning Supervisor be instructed to reply to File 46T75409 - G. W. Martin - for a residential subdivision adjoining the village of Harcourt in the affirmative and arrangements be made for an amendment to the Official Plan to accomodate this development at the earliest possible date the Subdivider to supply a secondary Plan of the area to accompany the amendment as Schedule "A". Carried.

No. 2706
Moved by L.C. Morrison
Seconded by Harold Bannon
That the conveyance of part of Lot 8, Cons. 3 and 4, in the Township of Guilford, Mr. Stan Roberts for residential purposes, be approved and recommended to the County Land Division Committee - to reaffirm previous Planning Board decision. Carried.

No. 2707
Moved by Harold Bannon
Seconded by L.C. Morrison
That the Meeting be now adjourned. Carried.

Wintario funds

Stuart Smith, Leader of the Liberal Party at Queen's Park, today called upon the Provincial Government to give serious consideration to allocating at least a proportion of the Wintario funds to other than cultural and recreational purposes.

"When the legislation establishing Wintario was originally proposed, it was anticipated that the lottery would produce some $20 million in revenue annually" said Dr. Smith. "However, it now appears that approximately $50 million annually will, in effect, be raised. This seems an inordinate amount of money to allocate for cultural and recreational purposes, in view of the fact that essential public services are suffering cut-backs in the name of the provincial government's programme to exercise financial restraint.

"I certainly don't underestimate the importance of supporting cultural and recreational projects, nor do I overlook the fact that Wintario was specifically intended to fulfil this purpose. Nevertheless, revenues have far exceeded original expectations, thus providing a surplus of funds which could be utilized to counteract, at least to some extent, the drastic cut-backs in public service which have been found necessary.

"For example, in an attempt to reduce the Ministry of Health's budget, the provincial government is closing down excellent psychiatric hospitals - a matter of very serious concern. Municipal services are being reduced or eliminated because of inadequate provincial support."

"Instead of allocating the entire proceeds from Wintario to cultural and recreational activities, the legislation should be amended to provide that any funds in excess of $20 million will be transferred to the general revenues of the province. Such an amendment this year would provide approximately $30 million, which could be used to alleviate the effects of government reductions in essential public services."

Highlands scholarship council meets

The Annual Meeting of the Haliburton Highlands Secondary School Scholarship Council was held in the High School on February 25, 1976 at 8:00 p.m. This organization is responsible for the distribution and control of scholarships, bursaries, prizes and loans in the High School.

The financial report for the Scholarship Fund showed that as well as the many awards paid directly to students by the donors the receipts were $2809.16, the expenditures for awards were $2403.59 with a balance of $405.57. Taking into consideration all prizes, a grand total of $4892.00 was awarded in 1975.

The report of the Loan Fund showed total assets of $7158.31 with outstanding loans to students of $5054.97. Loans made in 1975 amounted to $2200.00. Ten students have loans of various sizes from the fund. A student who is continuing his education from the Haliburton High School can be eligible for a loan if money is needed. While the student is completing his course the interest on the loan is 1%. As soon as the student completes his course the interest rate is raised to 2% where it remains as long as the repayment is made according to an agreed schedule. The Council at this annual meeting raised the interest rate from 5% to prime interest rate in those cases where a student does not make repayment according to schedule.

A finanical statement was made for the perpetual investment funds held by the Board of Education for the Scholarship Fund. This report showed that on January 1, 1975 the capital investments were $11,865.00. During the year further investments of $1800.00 were made, making a total capital investment of $13,665.00, while bank deposits raised the sum to $14,092.00.

The school had ninety-two honour students in 1975. The students were presented with the Scholarship Fund's silver pins or bars and were entertained by the Staff at a banquet on October 25, along with the sponsors of scholarships and members from the Board of Education.

Fourteen students were added to the Honour Society this year, having achieved honours for four consecutive years. A new plaque was presented to the Scholarship Fund (with the names of all present Honour Society members on it) by Haliburton Lumber and Enterprises Ltd.

There were four Ontario Scholars produced by the High School in 1975, Laurie Brown, Charlen McElwain, Kerry Riley and Peggy Roberts. Laurie Brown and Margaret Darby received School Letters for their achievements, during their high school years, in Academics, Athletics, Extra-Curricular Activities and Leadership Qualities.

The Scholarship Council made the following appointments to Council:
Mrs. Marilyn Kuno from the High School Staff; Mrs. Margaret Brown, A County Representative; Mrs. Brenda Telford, a High School Secretary; Mrs. Anna English, High School Staff.

The following were elected to the Scholarship Executive: Mr. M.R. Herlihey, chairman; Mrs. Brenda Telford, secretary; Mrs. Marilyn Kuno, treasurer; Mr. J. Douglas Hodgson, director; Mr. John F. Rouble, director; Mr. William Gliddon, director; Mr. John Stouffer, director.

The trustees of the Perpetual Awards Investments are:
Mr. Lloyd Johnson, Chairman of the Board of Education; Mr. Richard Poole, Vice Chairman of the Board of Education; Mr. J. Douglas Hodgson, Director of Education; Mr. M.R. Herlihey, Scholarship Fund Chairman.

The Council elected Mrs. Victoria Agnew to Honourary Membership for long and faithful service.

A motion of appreciation was made to Mrs. Louise Madden for the tremendous amount of work she has done as a member of the Executive. A second motion was passed electing Mrs. Louise Madden to Honourary Membership in recognition of her outstanding contributions to the Haliburton Highlands Scholarship Fund.

The meeting adjourned following a question period and light refreshments.

Soon be time for maple syrup

These spring-like days have started some people thinking about maple syrup and pancakes but it will likely be a while yet before tapping of the sugar maple gets underway on a commercial scale.

A Minden OPP officer said Friday morning the sap was beginning to run real good in that area as mild sunny days were followed by crisp, frosty nights. One of his fellow officers had set out some buckets already and reported a good yield.

Over Bobcaygeon way, commercial syrup producer Wallace Martin said he doesn't plan to begin tapping for a while yet.. "We could get some really cold weather and this can prove costly when sap lines freeze and sap in buckets does the same thing, often causing bucket seams to open up under pressure.

Mr. Martin revealed that pre-season discussions on price by producers indicate the finished maple product will bring about $15 a gallong, $8.50 for a half, $4.75 a quart and $3.75 a pint. These will vary from district to district depending on the yield, a low yield having the effect of increasing the price.

The Bobcaygeon area producer says it is quite possible some commercial operators with large bushes begin tapping late in February in order to allow them to be set up and ready when the season really gets underway.

Classes for overweight

Commencing Wednesday, March 3rd, the Cardiff and Area Health Care Centre is sponsoring diet consultation with our Nurse-Practioner trained in this field. Persons concerned with overweight or other diet problems can, on referral by a doctor, make an appointment through the Health Care Centre, 10 Hemlock Road, Cardiff, telephone (613) 339-2296.

Appointments will ONLY be made on a doctors referral, so please consult you doctor first.

The Air Canada Flying Club all set to do business at Sir Sam's.

Sir Sam's

Best spring skiing in Ontario

That was the verdict of Don Washington of Toronto, the President of the Air Canada Flying Club. He was the leader of a flight of four private aircraft that brought 17 club members to the Highland last week for a Valentine's Day ski-in.

"There was no trouble finding Sir Sam's", said Mr. Washington. "An hour and ten minutes out of Toronto and we were on approach to the runway at Eagle Lake. Ten minutes later we were at the chalet strapping on our skis."

The Flying Club is an organization of Air Canada employees and their families. As well as the captains who fly the giant 747's and DC-8's, the club caters to stewardesses, office workers, mechanics....in short, everyone in the company who likes to fly something smaller than a big jet and has a licence to do it.

The flight to Haliburton was suggested by Ted Morris a summer resident of Esson Lake and a member of the club. "Getting here was simple," said Mr. Morris. "We just tuned in to the CBC radio station at Haliburton and followed the radio direction finder's needle. By the time we were over the town of Haliburton, we could see the microwave tower next to the ski hill.

The runway was plowed and in good condition and Bob Bishop and the Sir Sam's staff were right there with cars for the shuttle service to the chalet.

Skiing expertise in the group ranged from absolute novice...one man who had never skied, had no intention of skiing, but who rented a pair when he could no longer resist the temptation...to downhill hotshots and a couple of cross-country buffs.

As usual, there was a surprise. Just as the group was preparing to leave at 4:00 p.m., they met Don Patry, a Haliburton resident of the past few years and an Air Canada DC-8 Captain who had retired just six months ago.

A one shot trip? Not likely. According to Don Washington, it is too close and too good not to be used again, but the planes will probably arrive one at a time from now on.

Former DC-8 Captain Don Patry (left) watches George Warriner check the propellor on the light aircraft prior to take-off. Captain Patry retired six months ago and is now a permanent resident of Haliburton.

Librarians hold workshop

Haliburton County Library was a co-sponsor of a workshop for librarians in Lindsay last week (Feb. 18th) Lindsay Public Library, and Victoria County Library co-operated with Haliburton County Library in the presentation of a discussion of work with children in small rural libraries. Teacher-Librarians from the three areas were invited to participate with the public librarians and a total of 21 people from Haliburton attended. Irma McDonough, co-ordinator of Children's service for the Provincial Library Service spoke on Canadian Children's books, Lynn McKechnie of Lindsay Public Library conducted a story-time and spoke on children's programming and Heather Gardiner of Haliburton County led a discussion of public library - school library co-operation.

All who attended the day long session felt that this type of in-service training was a profitable experience and look forward to more workshops of this nature. In his opening remarks the Warden of Victoria County stressed the need for co-operation among our three areas and congratulated the library systems involved in working together so effectively.

OPP report

Several persons charged

The Minden Detachment of the Ontario Provincial Police report the following activity for the period of February 23 to 29, 1976: the Detachment Staff investigated 12 motor vehicle collisions and 46 general occurrences. There were three break-ins reported, two compassionate messages delivered, three persons charged with Liquor Licence Act violations, two persons charged with impaired driving and 15 persons charged with snowmobile violations (10 of the 15 charges were for snowmobilers trespassing).

On Friday, February 27, at 8:30 p.m. Bryce M. Gilbert, age 28, of Minden was travelling westbound on Prince Street in the Village of Minden when the vehicle he was driving was in a collision with a car driven by Murray S. Walker, age 47, of R.R. 2, Minden, who was driving northbound on St. Germains Street. Murray S. Walker has been charged with failing to yield to through traffic on a highway by Ontario Provincial Police Constable Jim Martin of the Minden Detachment. The collision which occurred in the intersection of Prince Street resulted in an estimated $450 damage to the Gilbert car and $400 to the Walker car.

Damage was estimated at $175 to a car driven by Donald A. Mann, age 48, of Minden when he attempted to back out of a private driveway onto Parkside Crescent in the Village of Minden and his vehicle was in a collision with a car driven by Betty A. Salvatori, age 42, of Haliburton, which was damaged to an extent of $300. Donald A. Mann has been charged with failing to yield from a driveway after the mishap at 1:40 p.m. on Saturday, February 28. Investigating Officer was Constable Roy Telford of the Minden Detachment of the Ontario Provincial Police.

Two vehicles leaving the parking lot of Prentice Roads Ltd. just south of Minden stopped and were waiting to turn onto Highway 35 when a truck driven by 28 year old Ian F. Minto of Minden turned into the lot, missed the first stopped car towing a trailer but struck the side of a car driven by Steven Rogers, age 54, of 348 Brock Avenue in Toronto. The driver of the car towing the trailer was Fred Chahley, age 47, of 20 Antrim Crescent in Scarborough. The accident, at 4:50 p.m. on Sunday, February 29, has resulted in charges being laid against Ian F. Minto who has been charged with impaired driving and Fred Chahley with improper means of a trailer attachment. Ontario Provincial Police Constable Jim Martin of the Minden Detachment estimated damages at $50 to the Minto pick-up truck and $400 to the Rogers car. There was no damage to the trailer or the car driven by Chahley.

The Corporation of the Township of Monmouth

NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Monmouth proposed to enact By-laws to stop up, close and sell that part of the original sixty-six foot allowance for road set out and described as follows;

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Monmouth, in the Provisional County of Haliburton, and being composed of part of the original allowance for road between Lot 25, Concession XVI and Lot 26, Concession XV, in the said township, and which said parcel or tract of land is more particularly described as follows:

PREMISING that the bearings herein are astronomic and derived from the centre line of road allowance between the said Lot 25 and 26, having a bearing of North 20 degrees 52 minutes West.

COMMENCING at a point on the centre line of road allowance between Lot 25, Concession XVI and Lot 26, Concession XV, which is distant 1334.4 feet measured on a course of North 20 degrees 52 minutes West along the said centre line and its prolongation from a survey post planted at the intersection of the said prolongation with the continuation of the centre line of the road allowance between Concessions XVI and XV;

THENCE South 78 degrees 19 minutes West, a distance of 33.4 feet to the Westerly limit of the aforesaid road allowance between the said Lots 25 and 26, being the Easterly limit of the aforesaid Lot 25, Concession XVI;

THENCE South 20 degrees 52 minutes East, 410 feet to the inner limit of the 66 foot road allowance along the shore of Esson Lake;

THENCE Northerly along a line drawn parallel to and distant 66 feet measured Westerly and perpendicular from the high water mark of Esson Lake to a point where the same intersects the Westerly limit of the aforesaid Lot 26, Concession XV;

THENCE North 20 degrees 52 minutes West along the Westerly limit of the aforesaid Lot 26, a distance of 220 feet to a point where the same is intersected by a line drawn through the point of commencement on a course of North 78 degrees 19 minutes East;

THENCE South 78 degrees 19 minutes West, 33.4 feet to the point of commencement.

WHICH SAID parcel or tract of land may be further illustrated shown outlined in red on a Plan and Field Notes of survey by J.T. Ranson, O.L.S., dated April 11, 1950.

The proposed By-laws will come before the said Council for consideration at its regular meeting at the Township Office, in the village of Wilberforce, Ontario, on on the 5th day of April 1976, at the hour of 10:00 o'clock in the fore noon, and at that time, the Council will hear any persons or by his counsel, solicitor or agent, any persons who claims that his land will be prejudicially affected and who applies to be heard.

Dated at Wilberforce, Ontario this 20th day of February, 1976.

Sharon Hunter, Clerk
Township of Monmouth

Winter trails programme 1975-76

Denis Gagne - Parks Conservation Officer Funding and assistance for the maintenance of snowmobile and cross country ski trails in the Lindsay District for 1975-76 has been made possible by an extension of the one year programme initiated last year by the Ministry of Natural Resources.

The funds are to be used for the grooming and improvement of existing trails and several snowmobile clubs and Conservation Authorities have applied and been approved for grants.

Snowmobile trails are being signed and groomed with funds provided by the Ministry of Natural Resources and with the actual work being done by various agencies:

AREA - Durham-Ganaraska County Forest - **AGENCY** - Ministry of Natural Resources. **TRAIL** - 35 miles long, located west of Kirby on County Road #9.

AREA - Northumberland County Forest - **AGENCY** - Great Pine Ridge Snowmobile Club (Cobourg) **TRAIL** - 15 miles long, located on Highway 45, 8 miles north of Cobourg.

AREA - Dummer Township - **AGENCY** - Otonabee Region Conservation Authority. **TRAIL** - 40 miles long, located 6 miles northeast of Warsaw.

AREA - Kendal Recreation Area - **AGENCY** - Ministry of Natural Resources. **TRAIL** - 8 miles long, located 3½ mi. east of Kirby on Cty. Rd. #9.

AREA - Cartwright Township, Region of Durham - **AGENCY** - Maple Leaf Snowmobile Club (oshawa) **TRAIL** - 20 miles long, trail on unplowed roads on the Boundary line of Cartwright and Darlington Townships.

AREA - Darlington & Manvers Townships, Region of Durham - **AGENCY** - Long Sault Ridge Runners Snowmobile Club (Bowmanville) **TRAIL** - 20 miles long, trail on unplowed roads in the northeast sec. of Darlington and southwest section of Manvers townships.

All trails are signed and are usually marked for one way travel. Persons using the trails are requested to co-operate by travelling only in the direction of the arrows to minimize the chances of head-on collisions. You are reminded as well that all snowmachines must be properly registered and operators should carry proper identification. All persons on machines or sleights must wear approved helmets. Patrols of all public trails will be carried out by Conservation Officers of the Ministry of Natural Resources, who are empowered to enforce the Motorized Snow Vehicles Act and Regulations made thereunder.

This is the first year that monies are available for the improvement and maintenance of cross country ski trails. To date, the Ministry of Natural Resources has signed trails in the Northumberland County Forest and has provided parking adjacent to the trails. Several Conservation Authorities have applied and received approval for grants to do the same.

Cross Country Ski Trail locations are as follows:

Northumberland Country Forest, Ministry of Natural Resources - 5 miles of trails located 9 miles north of Cobourg off Highway 45.

Dummer Township, Otonabee Region Cons. Authority - 10 miles of trails located at Warsaw Caves Cons. Area.

Durham - Ganaraska County Forest, Ganaraska Cons. Authority - trails throughout forest of various lengths, east of Kirby on County Road &9.

Darlington Township, Central Lake Ontario Cons. Authority - 3 miles of trails at Enniskillen Conservation Authority.

Snowmibiles and cross country skiers are requested to respect each other by using the appropriate areas. Also, we ask that you do not deposit garbage but take it with you - Leave only your tracks behind!!

- Further information and trail brochures for most trails may be obtained by contacting this office.

ICE FISHERMAN BEWARE

Have you marked your drilled hole in the ice? Why, should I!! Because blowing snow may fill in the hole and it will not be visible to other people. If a person steps on top of your snow covered hole and falls through, this may result in a badly sprained muscle or possibly a broken leg. So fellow fisherman please mark your vacant holes. (N.B. one of our staff while travelling on Lake Scugog had this experience and fortunately has only a badly strained and bruised leg.

"We sell the Earth and Insure its Contents"

Gems of Truth

The Victory of Faith

Since a true child of God receives his standing before a righteous and a holy God by an act of faith, the Lord saw the necessity of firm teaching about this great matter. To His servant Paul then are given the necessary facts of the indisputable word of "Grace", to sustain the great work of the Lord Jesus Christ in saving lost sinners. Thus two letters, Romans and Galations, are used by Paul to instruct and develop true saving faith as it operates in a born-again one.

In the Book of Romans is laid the foundation as to the necessity of some outside force to help man turn to God. The righteousness necessary to stand uncondemned before Jehovah the Lord is not to found in man in his unsaved state, no matter where the search is directed. In himself, man is utterly helpless to come to a saving knowledge of God. It is far beyond his powers of reasoning, however hard he may try.

The photostatic copy that is given to us of the natural state of man in the first, second and third chapter of the Roman letter, penned by Paul and inspired by the Holy Spirit, leaves no room for any self-help program to meet God. Just take a look at it! Here is a picture of the human heart, taken by the Spirit of God and printed on the parchment of Scripture. Read it with me please! Romans 3:10-20 sums it up and declares that "By the deeds of the law, there shall be no flesh justified in His sigh. Verse 20. The law was given to man to let him see how badly he is in need of a "daysman" as Job puts it. One outside of himself that is able to intervene on his behalf and give him a righteous standing before a Holy God. Job 9:2-33, Galations 3:24-25.

Only now, after setting forth the truth of the inability of sinful man to attain to a state of righteousness that would avail before a righteous God, does Paul show us any ray of hope for anything better. In verse 21 the solution comes, "but now", the righteousness of God without the law is manifested (made known) being witnessed by the law and prophets. Romans 3:21. This righteousness, which was already seen by the Old Test. prophets who laboured under the law, now becomes available. It was to be received by faith of Jesus Christ unto all and upon all them that believe. Verse 22. Furthermore, it must be received in this manner, for there is no difference in the matter of sin or the method to be relieved of it. Verse 23.

What a marvelous revelation is given to man in the great Christian truth of faith! Certainly it could never have been imagined or dreamed up by man. It comes to us by Divine revelation as God's plan to save sinners, and then make them saints instead. In it, is revealed the wisdom, mercy, grace, righteousness and justice of God. His purpose in His plan of salvation, when properly known and understood, opens the door of hope to every sinful son of man. Verse 24-26.

But sad to say, this great truth of justification by faith, like many of all the other revelations given by the Lord God, has had a poor acceptance by men. While from its very nature it should be the very foremost in Christian teaching and preaching, such is not the case. Many arguments have been carried on by would-be teachers of the Word of God, and have mixed in works with faith as the standard for acceptance with God. How grieved the Holy Spirit must be by such mishandling of the plain teaching of Holy Writ as it pertains to the salvation of lost mankind. If a man is unable to save himself in the first place, how can he keep himself saved by adding works? That which he was incapable of doing before faith entered, certainly is not the answer to keep him saved and secure.

Paul preaches faith in Christ because this is the only way of salvation. No one was ever saved any other way, and no one will ever be saved any other way. Peter verifies this statement by declaring, "neither is there salvation in any other, for there is none other name under Heaven given among men whereby we must be saved." Acts 4:12, Hebrews 2:3.

The result of true saving faith is peace with God. Romans 5:1. A great change takes place in the person who turns to the Lord Jesus for salvation. Faith in God's perfect plan of redemption begets love. Divine love is implanted into the forgiven sinners heart, and the fruit of that love begins to show itself in outward, visible and marked changes of life style. This is the fruit of faith, or the fruit of the Spirit as Paul declares in Galations 5:2224. It is a new way of life, lived thus, "not" in order to be saved, but because faith "has" done its saving work. It is the outworking of Eternal Life, placed within the one who "believes" by the Lord God. Phil. 2:12-13.

This is the victory of faith. True faith in Christ as "the" Son of God, not "a" Son of God, distinguishes the children of God, not "a" Son of God, distinguishes the children of God from the children of the world, as it brings the children of God into loving submission to Him who saved them. In a real sense then, this is the victory that overcomes the world, even our faith. 1 John 5:4.

Patients

Patients at the Red Cross Hospital in Haliburton this week are as follows. Mr Edward Fielding, Mr. Earl Askey and Mrs. Violet Harrison.

Cubs booth successful

On the weekend of Haliburton's Winter Carnival, the Cubs and Scouts had tremendous success running the Food Booth. The Rotary Club of Haliburton has given the Cubs and Scouts the go ahead to run a food stand during the Winter Carnival activities. The boot provided hot dogs and hot chocolate on both days which gave the enthusiastic snowmobilers a chance to take a break from their races. The Scouts has been fortunate to be able to use a truck in which to sell their food. Some of the boys present on the two days were Steven Tripp, Steven Dawson, Ricky and Kevin Barnum, David and Andrew Bishop, Steven and Robert Smith. Leaders and adults doing some cooking and preparing were Terry and Norma Barnum, Jim Whiteway and Ed and Betty Whiteway. A special thanks goes to Mr. John Smith whol loaned us his food truck and the Rotary Club who made it possible for the boys to earn some extra money for camping activities.

CARE is more than just a package.

Biblical ignorance

The Psalmist tell us, "the testimony of the Lord is sure, making wise the simple" Psa. 19:7. Consider what ignorance had done for man! The Bible tells us some tragic results of ignorance.

Note them well-

It was because of ignorance that the Jews crucified Jesus. Luke 23:24; Acts 3:17.

It was because of ignorance that men in the past, and also even now, go about seeking to establish their own righteousness Romans 10:3.

It was ignorance that caused the Scribes and Pharisees to greatly err concerning their own concept of the future life Matthew 22:29.

It was due to ignorance that Saul persecuted the church 1 Timothy 1:13.

It was ignorance that turned the heathen to idolatry Galations 4:8,9. In direct contrast to man's ignorance is the fact that God would not have been ignorant 1 Corinthians 10:1; Ephesians 5:17.

The prophet Hosea, speaking for the Lord, said, "My people are destroyed for lack of knowledge: because thou has rejected knowledge, I will also reject thee.." Hosea 4:6.

There is only one true source for knowledge that will lead man to eternal life, and that source is the Bible. Without a knowledge of the teachings of God it is impossible to go to heaven. Children are of course excluded.

It you would stand approved of God you must study the Word of God. 2 Timothy 2:15.

A special thanks to Dr. Belch and staff for the excellent care I received.
May Lawrence

Thank-You

I would like to thank my friends and neighbours for their prayers, cards, letters and visits during my operation in the hospital. They were greatly appreciated. I would like to thank the Wilberforce U.C.W. for the beautiful book of poems "Someone Cares". Also thanks to my sisters Mrs. Royce Godfry and Mrs. Floyd Tighe for their help after I came home.
Special thanks to Dr. Belch, my anaethetist, nurses and staff of St. Joseph's Hospital, Peterborough and to Dr. Good of Haliburton. Also thanks to James Leach for being so kind.
Thank you once again.

Ethel Saunders

We want to thank everyone for their help and kindness after our home burnt. Thanks to the Wilberforce Fire Department for trying to save our home. Also the Wilberforce Ladies who gave us a shower and benefit dance. Special thanks to the band from Haliburton, the "Summer Fantasy" who donated their time.
George and Doreen Farr

In Memoriam

ANDERSON - In loving memory of a dear father and grandfather, Cecil Melvin, who died March 7th, 1975.

We have only your memory, dear father,
To remember our whole life through,
But the sweetness will linger forever
As we treasure the image of you.

Sadly missed by loving daughter Isabel, son-in-law Ross and grandson Jamie.

BAYTALAN - In loving memory of a dear sister, Marie, who passed away February 26th, 1970.

Our hearts still ache with sadness and our secret tears still flow,
What it meant to lose you
Sister no one will ever know.
When the days are sad and lonely and everything goes wrong,
We seem to hear you whisper cheer up and carry on.
Each time we see your picture you seem to smile and say,
Don't cry I'm only sleeping, we'll meet again some day.

Sadly missed by sisters Ethel and Olive.

RIVERS - In loving memory of our dear parents, Mary and John Rivers, who passed into rest, 1951 and 1947.

Their lives were one long sacrifice
Their hearts were true and tender
They toiled so hard for those they loved,
Then left us to remember.
No space of time no lapse of years
Can dim the treasured past
A loving memory keeps it dear
Affection holds it fast.

Lovingly remembered and sadly missed by their family.

Casey - Bull Wedding

Haliburton United Church was the setting for the January 10th wedding of Rosemary Nedean Casey, daughter of Mr. and Mrs. Earle Casey and Allen William Bull, son of Mr. Andrew Bull and the late Mrs. Vera Bull.

The Rev. Donald Nicholson was the officiating Clergyman and was assisted by Mr. Norman Healey, a friend of the family. Organist was Mr. Wm. Gliddon and the soloist was Mr. John Miller. Mr. Miller sang The Lords Prayer prior to the ceremony and "The Wedding Song" during the signing of the register.

Given in marriage by her parents the bride chose a gown of Dacron organza with empire waist and v neckline. Double ruffles fell over the shoulder forming a short sleeve. Ruffles, neckline and bodice were daintily trimmed with venetian lace. The full skirt was edged with a wide flounce which fell into a chapel train. The skirt was also trimmed with the same lace. The fingertip veil, edged with lace was caught to a Juliette Crown. She carried a mouton muff to which was attached a corsage of miniature red roses, white carnations, babies breath and blue straw flower fastened with Royal Blue velvet streamers.

The Matron of honour was Mrs. Lornell Casey of Haliburton sister-in-law of the bride and the bridesmaids were Miss Sharon Woolacott of Whitby, friend of the bride and Miss Jo Ann Bull of Minden, neice of the groom.

The attendants wore Royal Blue French velvet. The gowns which had an A-line skirt were fashioned with a sly-style top and daintily trimmed with daisies around the waistline and shoulder straps. The dresses were topped with long sleeved bolero jackets which were also trimmed with daisies. The attendants carried muffs similar to the one carried by the bride.

The best man was Mr. Floyd Henry, cousin of the groom and the ushers were Mr. Earl Bull, brother of the groom and Mr. Dennis Caey

groom and Mr. Dennis Casey brother of the bride. The groom best man and ushers wore tuxedos of Royal Blue.

For the reception at the Royal Canadian Legion the bride's mother greeted guests in a gown of brown pastel print with gold accessories. She was assisted by Mrs. Elva Hie, aunt of the groom, who chose a two piece gown of white with pink and green floral design with black accessories.

Mr. Tim Casey brother of the bride was Master of Ceremonies for the reception and the toast to the bride was proposed by Mr. Glen Hodgson.

Following a wedding trip to Lake Placid New York, the couple are now living in their new home at R.R. 2, Haliburton.

Carnarvon news

We wish to congratulate Mr. and Mrs. Tim Toye (nee Debbie Adams of Orono) who were married in Zion United Church on Saturday. Their reception was held in West Guilford.

Our sympathy was felt for Haliburton on Saturday when they had such a bad day for their carnival it rained nearly all day. Better luck next year Haliburton.

Mr. Bert Harrison had a birthday on Sunday, as well as one of his sons too, and they went to Peterborough for the week end and other members of their family attended.

Mrs. Rocan Barnhart has been in Lindsay hospital, and expects to get out soon. We all hope they have been able to do something to help her.

We still have lots of snow here yet, but if we have some nice sunny days like today maybe some of it will go away.

We are pleased to say that Maurice and Blanche Windsor are progressing nicely after their accident.

The Sinclair Russells had some of their family home for the week-end, Neil, Elsa and Colin.

Going away?... Don't forget to be a ⊕ Blood Donor before you go!

Halls Lake news

Mrs. Lizzie Johnson and Mrs. Louise Watson joined Marjorie Ferguson and Mrs. Dewhurt in Toronto and flew off to Cuba on Sunday for a little holiday. We expect they will have a great time together and wish them a safe and pleasant vacation in the sun.

Nice to see many weekenders at Loralea Lodge and Sandy Lane Resort. More and more people are joining the ranks of the snowmobilers and this week-end proved to be a good time for an outing.

Bob Jennings reports the purchase of a new grooming machine by the Snowmobile Association and this week it is to be used to cover the trails. It should make the work easier for the men and be quite an improvement on opening up the various routes.

Many thanks to Noreen Farnsworth, Carolyn MacDonald and Irma Bock for helping with the canvass for the Heart Fund during February. To date around $100.00 has been collected from this area and we trust those who have not given and still wish to will use the envelopes for their returns to the Minden bank, or call 489-2937 for a pick-up. Every penny counts for heart research and care. Thanks to all who gave so willingly.

Our little Community has again been saddened by the sudden passing of two of our neighbours, Mrs. Jean (George) Hunt, and Mr. Harry Cummins. Mrs. Hunt has been in Peterborough Civic for some time and was thought to be making good progress, and Mr. Cummins passed away suddenly at his home, so both of these deaths come as a shock to family and friends. We do send our sincere sympathy to all in each family.

Mr. Ken Martin has recently returned from his trip to Florida having had a very pleasant vacation.

Church at St. Stephen's Boskung, will resume next Sunday at the usual hour of 3:00 o'clock. We have enjoyed sharing with St. Peter's Maple Lake this past month, but missed the choir that used to be such an addition to the service there. We hope those voices are still being used in some church or school choir.

Mrs. Mary Oliver has just returned from spending some time at her daughter Rosamund's on the Haliburton Highway and leaving for Toronto to meet with her son Raymond and his family, thence to Malton Airport and off to the Island of St. Lucia in the Caribbean. We wish her a wonderful time and a safe return.

Mrs. Jean Wheeler has been in Florida and is leaving soon for a visit to Hawaii and will then be returning to her lovely home over at Kushog Lake.

Mr. Reginald Archer spent the week-end at his cottage with a co-worker friend from Kitchener, Mr. Thatcher, and together they fished on Boskung catching several nice trout.

A big thank-you to Mrs. Helen Brown and Mr. and Mrs. Harvey Dunn, to our Wonder Bread Man and an anonymous coffee-drinker who donated so generously toward the appeal for help to the burned out family on the Dover Road a couple of weeks ago. Good household items and a little cash and clothing go to help them set up housekeeping once again.

Our friend and neighbour, Albert Hart, is better from the flu, and off to Toronto again but will be back to play the piano for rehearsal and the evening of the Hyland Crest Fashion Show on May 1st which should be very lovely this year, working in spring flowers as part of the Theme. We hope everyone will keep Saturday evening the 1st of May open. Mrs. Farrington of the Wee Boutique, near Coboconk is once again putting on the Show.

News from Minden

Marnie Robinson left on the weekend to visit with her grandparents Mr. and Mrs. Henry Woodroffe at Owen Sound.

All their friends send good wishes to Doug Carpenter and Mrs. Cecil Burke at Ross Memorial Hospital and to Fred Barry at St. Josephs Peterborough.

Another lucky lady at Rotary Bingo last Thursday night Lorraine McCracken won the second Snowball of $82 in twenty one numbers called.

At the L.O.B.A. Card Party on Feb. 23rd winners were for cribbage Joyce Hewitt and for euchre lone hands Gladys Wruth and Vera Fuller. Mary McKelvey, Harry J. Cowan and Hector Roman. After the games all enjoyed a social half hour and the delicious lunch served by the ladies.

The community sends belated good wishes to these Residents at the Hyland Crest who celebrated birthdays last month being Ellen Knight, Alice Fearrey and Mabel Lyons.

Mr. and Mrs. Phil Robinson, Bradley and Mrs. Bill King visited Mr. and Mrs. Roy Rogers and David at Orillia last Tuesday.

Sincere sympathy to the families and friends of the late Mrs. George Sheppard, Mrs. Tom Bolton, Mrs. George Hunt, Harry Cummins and Fred Griffin whose funerals were since last week.

Winners in IGA Full Card Bingo on Global last week were Mrs. Grace Earl and Mrs. Debbi Casey winning $5, and the product of the week.

Weekend guests with Mr. and Mrs. Ron Robinson Sr. included Miss Linda Robinson of Owen Sound, Bernie Thorpe of Oshawa and Spencer Monk of Durham.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon winners were for Bridge Isabel Harrison, cribbage Diane Stevens (perfect score) and Esther Shaver and for euchre high and lone hands Vera Fuller and Hilda Harrison.

Mr. and Mrs. Phil Robinson visited last Thursday with Mr. and Mrs. Noble Dunn at Lindsay.

Although many people already are enjoying Channel 11 from Huntsville Area, Cable T.V. will have this working within the next several weeks. We understand Channel 11 come in very clearly on just "rabbit" ears.

IN MEMORIAM

JOHNSON - In loving memory of a dear father and grampa who passed away March 10, 1973.

Along the road of yesterday
That leads us straight to you.
Are memories of the happy days
Together we once knew.
And always every evening,
We seem to have a way.
Of wandering back to visit Gramp
On the road to yesterday.

Sadly missed by daughter Dorothy, son-in-law Bill and family.
